

InnoEnergy Teachers conference 2017, Athens April 25th

The theme for our conference this year is Entrepreneurship and Innovation in Engineering Education.

InnoEnergy Teachers Conference will be adjacent to the: EDUCON2017, IEEE Global Engineering Education Conference. The event will be held in Athens, Greece April 26-28, 2017. IEEE's theme is "Challenging the Transition from the Classic to the Emerging in the Engineering Education.

Our conference will be held on the 25th of April, the day before the EDUCON2017.

Location: Astor Hotel - Karagiorgi Servias 16, Athens - (800 m from Educon Venue or 10 min walk)

Agenda:

- **The Importance of Adventure, Change and New Perspectives in Conditioning towards Innovative Thinking**
Lisbeth Borbye*, DIS-Study Abroad In Scandinavia
- **Pedagogical innovation – The role of InnoEnergy**
Frank Gielen, Education Director, InnoEnergy
- **Best practice from InnoEnergy Master's School in Entrepreneurship and Innovation,**
 - ***The Innovation Journey:*** A Challenge-based Learning methodology that introduces innovation and entrepreneurship in engineering through competition and real-life challenges
Xavier Crusat, Mar Martinez Diaz
 - ***SELECT Grand Challenge*** – fostering entrepreneurial spirit
Presented by Jeevan Jayasuriya, InnoEnergy
 - The floor is open for participants to share their experiences in the field.
Contact Henrik in advance if you want to make a presentation
- **Workshop session on how to assess students in Entrepreneurship and Innovation education**

* Lisbeth Borbye biography: Ph.D. (Genetics, University of Copenhagen, 1993). Post-Doctoral Fellow, the US Human Genome Project, Washington University, School of Medicine and National Institutes of Health (1993-1995). Sr. Research Associate, Purdue University (1995-1998). Staff Scientist, Paradigm Genetics (1998-2002). Roles as Program Coordinator, Assistant Professor, Associate Professor, and Assistant Dean for Professional Education, North Carolina State University (Twelve years of educational innovation and research alliance building between universities and companies, government agencies, and non-profit organizations, 2003-2014). Program Director, Science & Health, DIS-Study Abroad In Scandinavia (2015 – present).
