

Master's programme in Nuclear Engineering at UPC

The following questions aim to assess the level of satisfaction of UPC MNE/EMINE alumni with the master's programme at UPC (i.e, EMINE students should focus only in their year at UPC plus the internship-thesis). The survey is anonymous. Results will be later shared with you.

* Required

1. Write a short text that you can later remember (one or a few words, an acronym, numbers, etc.) Just for traceability, to be sure we don't have duplicate answers.

2. How do you value the knowledge and skills acquired with the programme *

Mark only one oval.

	1	2	3	4	5	6	7	8	9	10	
Lowest value	<input type="radio"/>	Highest value									

3. The programme has given to me the opportunity to access the professional/research community *

Mark only one oval.

	1	2	3	4	5	6	7	8	9	10	
not at all	<input type="radio"/>	absolutely agree									

4. Should I start again, I would take again this Programme *

Check all that apply.

- Yes
- Indifferent / I don't know
- No
- I don't want to answer

5. Please, value the overall quality of the Master (contents, teaching staff, organisation, etc.) *

Mark only one oval.

	0	1	2	3	4	5	6	7	8	9	10	
Very poor quality	<input type="radio"/>	Excellent quality
